

About your plan

Good health starts with a healthy mouth. Regular dental exams and cleanings can lower the risk of gum disease, which is linked to heart disease, diabetes, stroke, and other serious conditions.

The HumanaOne Dental Preventive Plus plan is designed for people who believe in the importance of regular dental exams and cleanings. With no office visit copayments, the plan offers affordable coverage for preventive and basic services like routine cleanings and exams, fillings, and extractions. You may receive discounts on major services like root canals, crowns, and other services when you choose one of the more than 200,000 dentist locations in the HumanaOne Dental Preventive Plus network. You can visit HumanaDental.com to find a participating specialist.
